

## **WPP - World Peace Pledge**

**February 15<sup>th</sup>, 2021**

The world peace pledge is a pledge taken by every country in the world. This pledge of peace is a voluntary show of good faith taken by the leader of each Nation and also agreed upon by all branches of government. This pledge of peace has certain criteria which must be met in order for the pledge to be genuine and honest.

### **Requirements**

#1 - Must not buy, sell, or make any weapons meant for mass destruction of any kind. Starting with the most destructive weapons, nuclear weapons, and any refinement of Plutonium for the purpose of making weapons must stop.

#2 - War must stop and therefore, the weapons of war must cease to be.

#3 - All Nations in the world must adapt to using non-carbon-based fuels for energy and use renewable sources of energy. One day all Nations, the whole world, must stop admitting carbon-dioxide into the atmosphere.

#4 - The Earth, our home, taking care of her and learning to live with one another peacefully, should be put at the top of our agenda. It seems to be a large task, but if we all work together, we can accomplish this goal.
